at Antioch College as a chemistry major. She began taking social science courses because some were required, but she soon found herself intrigued. There were lots of questions without answers, and she became excited about the possibility of a research career in social science. Cultural Anthropology (14th Edition): Ember, Carol R ... Ember Anthropology has some of the best material on inequality, stratification, and health effects of racism, but these get dispersed and disconnected (see 1.7). Ember Anthropology has some of the most interesting references about multiregionalism and human origins, but also seems to badly misunderstand and distort the multiregional model.
