Warning Flags Mean? | USA

Today International maritime signal

flags are various flags used to

communicate with ships. The

principal system of flags and

associated codes is the

International Code of Signals.

Various navies have flag systems

with additional flags and codes, and

other flags are used in special uses,

or have historical significance.

There are various methods by

which the flags can be used as

signals: A series of flags can spell

out a message, each flag

representing a letter. Individual

flags have specific and
