aircraft during aerial combat. The actual number of aerial victories required to officially qualify as an ace has varied, but is usually considered to be five or more. The concept of the "ace" emerged in 1915 during World War I, at the same time as aerial dogfighting. It was a propaganda term intended to provide the home front with a cult of the hero in what was otherwise a war of attrition. Flying ace - Wikipedia Flying Ace: The Story Of Amelia Earhart.
