How to File A Design Patent Application (The Ultimate ... Since June 8, 1995, the United States Patent and Trademark Office (USPTO) has offered inventors the option of filing a provisional application for patent which was designed to provide a lower-cost first patent filing in the United States and to give U.S. applicants parity with foreign applicants under the GATT Uruguay Round Agreements. Provisional Application for Patent | USPTO A guide to filing a design patent gives an inventor the information they need to apply for a US patent for their design. In the United States, a design patent is a patent granted on the ornamental design of a functional item. Ornamental designs of jewelry, furniture, beverage containers and computer icons are examples of objects that are covered by design patents. A Guide to Filing a Design Patent Application by United ... The basic filing fee for filing a design patent application includes three fees: a filing fee, a

search fee and an examination fee. As of the date of this publication, these fees totaled \$530 USD. Fees ordinarily change in October each year. For filing fees, see USPTO Fee Schedule. Design Patent Applications - askmeip Drafting claims is typically the most laborious and important element of a non-provisional patent application. However, only one claim is required for a design patent application. Again, the USPTO considers the best "description" of the invention to be the drawings themselves, so the claim drafting takes a backseat in design patent applications. Filing Requirements for Design Patents |

legalzoom.com Term for filing a patent application in France The term for filing a patent application in France claiming conventional priority is 12 months from the priority date. Restoration is possible if the applicant has a legitimate reason for missing the above term and files a request for restoration within two months. IP Guide | PATENT in France | Patent registration in ... Generally, an invention that is a product or process that is useful, novel, and non-obvious is eligible for patent protection. There are three types of patents: utility patents, design patents, and plant patents. Regardless of the type, you must file an application with the United States Patent and Trademark Office (USPTO) in order to receive patent protection for your invention.
