Health Policy Plus Malawi Health Policy Plus in Malawi works with government and civil society to address unmet need for family planning, elevate population and development issues, and build advocacy capacity. Welcome to the USAID-funded Health Policy Plus (HP+) project website. Malawi Health Policy Plus: Better Policy for Better Health - strengthens and advances global, national, and subnational health policy priorities; and aims to improve the enabling environment for equitable and sustainable health services, supplies, and delivery systems through policy design, implementation, and financing. Health Policy Plus: Better Policy for Better Health Health Policy Plus (HP+) PRB is a partner on the Palladium-led, USAID-funded Health Policy Plus (HP+) project that strengthens and advances health policy priorities at global, national, and subnational levels. PRB brings our core strengths in communicating technical health information to the project. Specifically, we work to: Train decisionmakers, advocates, and researchers on how to better understand, communicate, and use health data in decisionmaking. Health Policy Plus (HP+) Project USAID, through the Health Policy Plus (HP+) project, coordinated the development of the strategy, analyzing the implementation of Malawi's previous health information systems strategy for key achievements, gaps, and lessons learned; facilitating workshops; and contributing to the writing and costing of the strategy.
