Its Raining Cats And Dogs Raining cats and dogs is an English idiom used to describe a heavy rain. The English idiom " it is raining cats and dogs ", used to describe particularly heavy rain, is of unknown etymology and is not necessarily related to the raining animals phenomenon. The phrase (with " polecats " instead of "cats") has been used at least since the 17th century. Raining cats and dogs - Wikipedia Alternatively, `cats and dogs' could be a corruption or misunderstanding of the Greek word `catadupe', meaning `waterfall', so the expression would originally have been `it's raining like a waterfall'. The origin may also be in Norse mythology, where cats

and Dogs "Cats and dogs" may  
come from the Greek expression  
cata doxa, which means "contrary  
to experience or belief." If it is  
raining cats and dogs, it is raining  
unusually or unbelievably hard.  
"Cats and dogs" may be a  
perversion of the now obsolete  
word catadupe. In old English,  
catadupe meant a cataract or

waterfall. What is the origin of the  
phrase "it's raining cats and  
dogs?" The well-known antipathy  
between cats and dogs and their  
consequential fights has been  
suggested as a metaphor for  
stormy weather. That at least is a  
plausible theory. It purports 'cats  
and dogs' to be an intensifier and  
that the expression means 'raining  
in a bad way'. 'Raining cats and  
dogs' - meaning and origin. It may  
refer to the days when drainage in  
towns was so poor that cats and  
dogs sometimes drowned in heavy  
rainfall. Alternatively, 'cats and

"Carrie and Lionel are fantastic! I have a very fearful dog and thought daycare would help her with socialization. I was looking for a facility that was smaller and could provide individual care. I was very nervous and scared to leave her with someone because of her extreme fearfulness. It's Raining Cats & Dogs Luxury Pet Services - 60 ... languages Many historians believe that the expression 'it's raining cats and dogs' emerged in London during the Great Plague of 1665. The bubonic plague was a deadly disease that spread via fleas. These tiny blood-sucking insects would bite infected rats and then transmit the illness to humans. Idiom - It's Raining Cats And Dogs - Deep English I took my dog to Raining cats and dogs to trim her nails today. Well, as soon as they were done, my dog was placed on the counter and that's when I noticed that she was bleeding out of two of her nails. When I questioned them about how my dog got injured, the lady stated that it happens sometimes when the dogs' nails are "too long". Seriously? Raining Cats
