If your books aren't from those sources, you can still  
copy them to your Kindle. To move the ebooks onto  
your e-reader, connect it to your computer and copy  
the files over. In most cases, once your computer  
identifies the device, it will appear as another storage  
drive. If the ebook is in the PDF format and you want to  
read it on your computer, you'll need to have a free  
PDF reader installed on your computer before you can

open and read the book.
