Think Think English English

The Depending on your level, right now you might first think of what you want to say in your native language, and then translate it into English. By thinking in English first, you won't have to translate—which will help you become more fluent in English. When you think in English (without translating), this also helps you internalize the language. When you internalize information, it means you learn it so well that you no longer need to think about it.
