or reaming. The pipe center is similar to the male center but its cone is ground to a greater angle and is larger in size. It is used for holding pipe and tubing in the lathe. Tools and Equipment | Smithy - AutoMate CNC - Machine Tools

Last month we had an overwhelming response to our “Triple Play” promotion on all the Smithy machines. Many have called recently to ask if they can still get in on the deal. SO, we have decided to extend the Triple Play Bonus promotion through April 30th, 2018. We can't continue this promo forever. BUT, FOR NOW - You still have one more chance to take advantage of this great package deal ... promo | Smithy - AutoMate CNC - Machine Tools

For instance, a 15-inch drilling machine can center-
